WALK IN NEW LIFE

September 23, 2019

Dear Parents/Carers,

A compulsory excursion has been organised for Year 11/12 in order to recognise Mental Health Month in October. Our SIP Goal at Mater is to strengthen the mental health and wellbeing of students and it is widely acknowledged that social engagement and activities can help to promote good mental health.

Each year group within the College will be participating in different activities during the afternoon of Friday October 18, 2019. For Year 11/12 students we have planned to spend the afternoon at North Narrabeen beach, cleaning up the area and then playing some games on the beach and possibly swimming if the conditions are favourable. We hope you will support this initiative.

Please read the relevant details below and complete the permission note on **page 2** which must be signed and returned to the subject teacher at least a week before the excursion or scan/email to studentservices@dbb.catholic.edu.au.
