GENERAL INFORMATION

Catholic Parish Reference Form

Enclosed with the Application for Enrolment form in the College prospectus is the Catholic Parish Reference Form.

This reference is to assist us in identifying families who are actively involved in Parish life and well known by their Parish Priest. If this is applicable to your family, please complete and your Parish Priest will return this form directly to the College.

If you're not known in a Catholic Parish community, please complete Section A and supply two references about your family to support this Application for Enrolment and return them directly to the College.

Application for Enrolment Fee

An Application for Enrolment Fee (Registration Fee) of \$100.00 is due and payable at the time of the submission of your child's enrolment application. Alternatively please contact the Accounts Department on 02 9997 7044 or email adminservices@dbb.catholic.edu.au.

Learning Support

The Learning Support Department at Mater Maria Catholic College operates so that students with special needs may be effectively included in a mainstream educational setting. In the supportive environment of the College, each student's strengths are built upon to encourage them to achieve their full potential.

Please include with the Application for Enrolment full details of any educational, medical, physical or behavioural needs which your child may have. Supporting documentation relating to any intervention or support which he/she is currently receiving must accompany your Application for Enrolment.

The College also recognises its responsibility to firstly identify and then offer gifted and talented students appropriate opportunity, stimulation and the experiences necessary to develop their potential and satisfy their learning needs. Once again, supporting documentation relating to giftedness should be included with the Application for Enrolment.
