

SPORT-NIGHTLY REVIEW - 3rd May

Congratulations to the following students on their fantastic sporting achievements over the holidays:

Chelsea Mann:

Selection into the 2019 Netball Centre of Excellence 17 and Under National Australian Squad. Chelsea was selected based on her performances over a six-day tournament and an assessment of her potential to become a future Diamond

Chelsea will attend National Squad Camps at Netball Australia's Centre of Excellence in Canberra over the next few months.

Corey Duke:

Qualified for the World Triathlon age group championships to be held in Lausanne on Lake Geneva, Switzerland.

There were approximately 200 competitors in the under 19 age group and only 8 were selected to represent Australia.

The race Corey will be competing in is a sprint distance, which comprises of a 750 meter swim followed by a 20 kilometre bike ride and finally a 5 kilometre run.

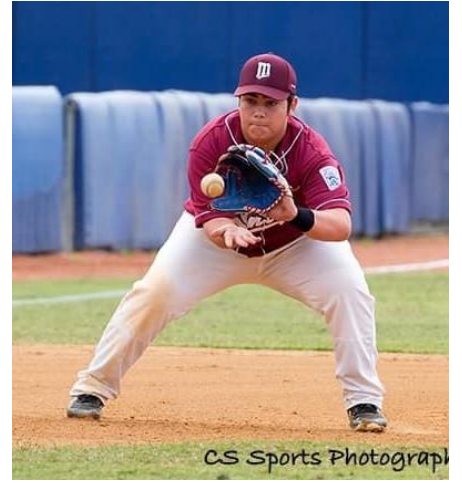

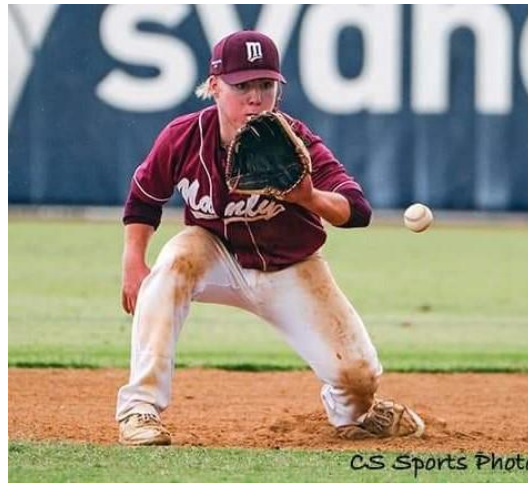

Kai Komulainen:

Has been offered a spot to compete in the International Junior Golf Masters in New York State later this term. He also won the Australian Boys Amateur (under 14's age division) on the Gold Coast during the last week of school and T26 in the under 18's with scores 75, 71, 72, 73. It was a big achievement as there were 153 competitors from around Australia and the handicap cut off was no higher than 2!!!! Phenomenal achievement by Kai

Max Milner, Zac Newbold and Michael Amir:

Max, Zac and Michael were part of a team that qualified to play at the National Baseball Championships in Lismore this term. They have the potential to represent Australia at the Senior League World Series in the USA. We wish them good luck.

Mater Maria first XV:

The boys are training hard and the dedication is paying off for our Senior Rugby team. With the first match to be played on Monday the cohesive nature of this team means we are primed for great things.

We have a lot of talented students here at Mater Maria. If your child or a student you know is achieving great things in extracurricular sport, I would really like to showcase what their achievements are.

Please email me on karen.ingram@dbb.catholic.edu.au and tell me a bit about it.
