SPORTNIGHTLY REVIEW TERM 4 WEEK 2

Girls Rugby 7's 'Activities' Round Robin:

After a term of participating in a rugby 7's training clinic to learn the skills and play the game safely, 45 year 7 and 8 girls separated into four different teams played against each other in a round robin to test their knowledge and skill in the game. It didn't take long for the girls to get into the spirit of the game and there was some great skill and talent demonstrated. The girls enjoyed themselves and the game so much we now have over 20 girls playing in a rugby Spring 7s competition for Pittwater.
