## TERM 4 WEEK 6

### BBSSA TOUCH FOOTBALL

Last week Mater Maria hosted St Augustines at Mater Maria for the second round of the BBSSA Touch Football Competition. Our 7/8 and 9/10 boys have been training hard, with this round our toughest game in the competition. The 7/8 team worked hard and stayed calm and solid in their strategy for the first half. Second half saw fitness come into play with a wide long oval favouring the fitter players.

### MWBA BASKETBALL

The 12 Mater Maria teams competing in the local MWBA Basketball Competition continue to excel, learn and develop their skills. Many teams have moved up a division from the last competition and are becoming more competitive and showing a great improvement in their team work. Many other teams are completely new to the game of basketball and after a slow start show great potential in the game of basketball.

One such team are the year 9 Div 2 boys, who are a group of friends that joined together to play basketball for the first time. With a mix of abilities and Alex Cable being player/coach, they work together, support each other as a team and show us what sportsmanship is all about. They continue to be challenged and show a steep improvement each week. They won their first game last week and I think we will continue to see them win more games throughout this competition.

## PENINSULA CUP FUTSAL

Yesterday our Open Girls Futsal team played their Grand Final game in the Peninsula Cup Futsal Competition. They matched up against an unbeaten Oxford Falls Grammar School, who were going to be hard to beat. Mater Maria scored early with a great goal by Alex Sinclair and the half time score was 2-2. Mater Maria again led the scoring again in the second half with another goal by Alex Sinclair, but this is where the experience of Oxford Falls came to light.

After equalising the score to 3-3, they then successfully ran away with another 3 quick goals to win 6-3. Brilliant defence by Koko Taylor-Cross and amazing goalkeeping by Amber Kendall made Oxford Falls really work for their win and, as these girls are all in year 9, will be the team to beat over the next few years. Well done girls.
