MATER MARIA  
CATHOLIC COLLEGE

# MATHS OLYMPIAD 2020

Year 8 students competed in the Maths Olympiad this year. It's a challenging competition that requires students to think of different methods of solving problems.

Well done to all students especially these students who placed themselves at the top!

**From left to right:** Thomas Raishley, Lachlan Swinton, Jessica Egerton, Kane Sinclair, Natalie Walton, Luca Fragasso, Luc Debien, Louisa Eade.
