YEAR 9 SURF AWARENESS:

In Week 8 Term 4 Miss Cripps, Mr Trainer and Mr Privett organised a surfing lesson for all of Year 9 PASS students to finish off an exciting year of Practical and Theory studies. Both classes were given the opportunity to head to either Long Reef beach or Collaroy beach to enjoy a surfing lesson provided by Manly Surf School.

All students thoroughly enjoyed learning about surf safety and experiencing a new sport that is so popular amongst our community. It was great to see so many students try something new and have a lot of fun learning a new skill.

Physical Activity and Sports Studies is a great subject for students to engage in a wide range of physical activities in order to develop key understandings about how and why we move and how to enhance quality enjoyment of movement. We look forward to welcoming new students into this subject in 2021 and teaching them new skills and sports to enhance their learning within this subject.

Jackson Twells - Made finals for hurdles and came 4th, 7th in long jump and, 12th in 400 metres
