

## YEAR 10 FORMAL

Year 10s celebrated their end or schooling for 2020 with a formal at Miramare Gardens.

After two weeks of excursions, training and preparation for 2021, the Year 10 students were able to be treated to a great night of good friends, fine food and a pumping dance floor.

After a year where so many events were cancelled, it was fantastic to enjoy each other's company with one eye on the year which has been and one to the future.

I wish those who are moving into apprenticeships all the best and look forward to the next two years with this energetic and personable year group.
