

WALK IN NEW LIFE

MATER MARIA
CATHOLIC COLLEGE

YEAR 12 MULTIMEDIA EXCURSION

Our Year 12 Multimedia class recently had a film and photography excursion. Their task was to create a video of Manly from a tourist's point of view. During the excursion students were encouraged to use a range of multimedia to create their video in groups such as SLR cameras, iPhones, iPads, Go Pro with water proof casing, Go Pro 360, microphones and drone. They enjoyed getting out of the classroom to play with a variety of technologies. They even improved their chopstick skills during our group lunch. All agreed it was a great day out!
