

Music @ Mater

How can you get
involved?

The background is a dark blue gradient. In the top right, a pair of hands plays a yellow tuba with orange bellows. In the bottom left, a pair of hands plays a blue keyboard instrument. Scattered around are stylized autumn leaves in yellow, green, blue, and orange. A large, light-yellow speech bubble with a white outline is centered on the page, containing the text.

PRIVATE TUITION

Individual Music Lessons

The music department at Mater Maria employs a number of music specialists to give one-on-one lessons from school in our tuition rooms. It is not essential, but highly beneficial for all elective music students to be receiving private tuition for their instrument/s of choice! Our tutors work with us to assist students in preparing repertoire for assessment tasks and other classwork as well as developing technical skills.

Our Mission and Vision

Want More?

In the past, we have offered ensembles such as: guitar ensemble, percussion ensemble, piano duets, chorale, a capella, funk/fusion bands and many more. If enough interest is gained, we will endeavour to bring these back!

Rock Bands!

In addition to the ensembles currently provided to students, we also offer a rock band program. Rehearsals for rock bands are run weekly at lunch times following the format outlined on the next slide!

Students in their first year of elective music are encouraged to form bands and develop their own individual style. Rehearsals are supervised by Amy Evers but will gradually transition into student led projects.

Year 9

Our HSC class will perform in many different ensembles to support each other through their major projects for the year.

HSC

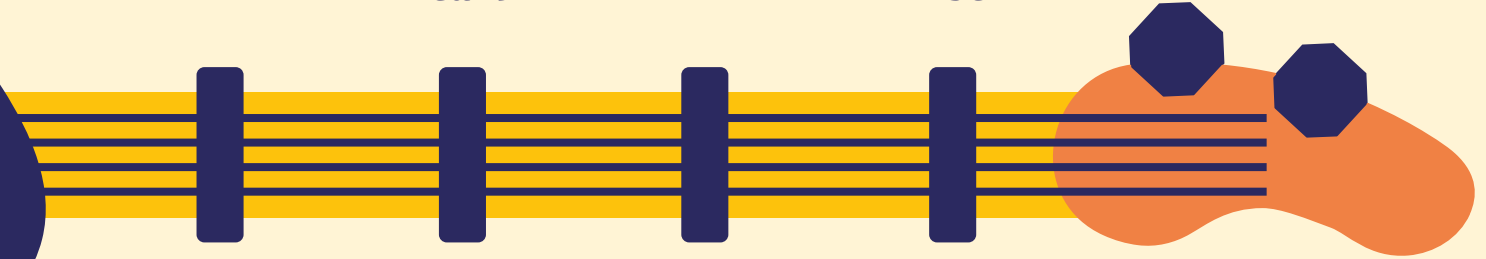

Year 7/8

By audition only. Rehearsals are run by Amy Evers – students learn how to choose repertoire, rehearse as an ensemble, set up band equipment and give an effective performance.

Year 10 & 11

Students in these year groups are able to rehearse their own repertoire using the skills they have learnt across Year 7–9. Senior rock bands are often encouraged to write their own music and are still expected to perform at school events.
