

JobJump Careers News Subject Bulletin

25 February 2021

**IMPORTANT MESSAGE TO HEAD TEACHERS and ALL STAFF
and to Parents,**

It may only take one piece of news to lead a student towards success in their life's career.

If you know students enjoy your subject, this is a great way to assist them, so please encourage them to take part in those events mentioned below in your Subject Area. Find below a listing of special careers news that have also been emailed out to many of our students and their parents.

SPECIAL MESSAGE REGARDING EVENTS LISTED AND COVID-19

Events listed are presented as reported from the home website at the time of collection from the news source. We strongly advise you check directly with the event organisers regarding the delivery of the event due to current restrictions.

HSC SUBJECT KLA / FACULTIES

CAPA

Dance, Drama, Music, Visual Arts

Music Theatre Taster at the Con

Saturday March 27 9:30am - 1.00pm

Music Workshop at the Sydney Conservatorium of Music

For students 15-25 years of age

Join Dr. Narelle Yeo, Peter Cousins, Simon Kenway as they introduce you to the skills needed to be a great musical theatre performer. During the session we will give you insights into the art of musical theatre including stagecraft and presence, vocal technique, characterization, ensemble work and more. You will have the chance to dance, act and sing in this hands on workshop giving you not just a glimpse but a taste of the fascinating, exciting, sometimes glamorous but always hard working world of music theatre.

The Workshop presenters are drawn from the Music Theatre industry as well as the Sydney Conservatorium of Music. This Taster will be run at the Sydney Conservatorium of Music under the instruction of Dr Narelle Yeo, Peter Cousins, Simon Kenway and dance staff.

There will be some music to learn before the workshop you are also encouraged to bring sheet music for 16 bars of your favourite musical theatre solo. Bring comfortable dance gear to the workshop.

Conservatorium Songwriting Workshop

13 March. 3pm to 6pm

In this 3-hour Masterclass, Keppie will dive deep into the world of song form, breaking down the components of contemporary song structure and form. By looking at examples, as well as working through guided writing exercises, the aim of this face-to-face experience is to:

- Become more deeply familiar with the function of song sections;
- Understand a variety of song forms available to contemporary songwriters;
- Practice writing lyrics that express the movement of ideas through those different sections; and
- Explore musical considerations that will help support the creation of tension, and the delivery of resolution in satisfying and delightful ways.

Within the 3 hours, there will be time for writing, Q&A, and musical performances

<https://openacademy.sydney.edu.au/course/WFSW>

Rising Stars at the Con

The **Rising Stars at the Con** is a dynamic performance-based music education program. The program provides gifted school-age students with specialist tuition in a supportive environment that helps develop their musical and artistic skills.

At Rising Stars, we identify talent at an early age, laying a constructive foundation for a lifetime of musical achievement.

Supported by the Sydney Conservatorium of Music faculty, the program is based on proven values of quality instrumental teaching, structured academic development, regular performance and the benefits of a strong and supportive musical peer group.

The Rising Stars program operates on 3 levels: Foundation Stars, Emerging Stars and Premier Stars to provide a development pathway for musical talent.

The Rising Stars program runs for on Saturdays 14 weeks per semester, with 2 semesters each year and entry is by audition only. For more information, please refer to the '[How to Apply](#)' page.

<https://openacademy.sydney.edu.au/Rising+Stars>

Are you planning to audition for a Conservatorium tertiary degree in jazz?

Be well informed about the audition requirements and process so you can achieve your best result in this highly competitive field.

This three hour workshop includes discussion and demonstration of the process, a mock Jazz aptitude test and the opportunity for some students to have their mock audition critiqued by members of the Tertiary Jazz staff in front of your peers (this is optional). This is an invaluable opportunity to ensure your optimum preparation for the "real thing".

If you wish to do submit a mock audition we recommend you have a look at the tertiary course audition requirements and prepare yourself as suggested [CLICK HERE](#) Down the right hand side of the page you will see the link to undergraduate audition requirements.

Overseas medicine internship opportunities for high school students

We understand that getting medical work experience as a student can be extremely difficult. We offer young people from secondary and senior secondary school a safe, guided experience into the world of medicine through our High School Special Projects.

Our medical internships abroad for high school students focus on experiential education, so you learn by doing. You can expect to:

- Shadow doctors and other medical professionals in busy hospitals and clinics
- Attend medical workshops and seminars
- Get first-hand insight into the healthcare challenges people face everyday
- Participate in community healthcare outreaches that serve people in need
- Learn essential medical skills like measuring blood pressure and blood sugar levels

Demystify Macroeconomic Principles

3 March. 12.00

Demystify macroeconomic principles and terminology and discover how Modern Monetary Theory (MMT) provides explanations for some of the world's most troubling financial concerns.

- Free Online Short Course
- **Duration:** 4 Weeks
- **Effort:** 2-3 hours per week
- **Cost:** FREE

Subject: Economics & Finance

Level: Introductory

Thinking in a macroeconomic way. What should macroeconomic theory be able to explain? Measurement frameworks.

What is Modern Monetary Theory and what are its implications? Why is it the future of macroeconomics?

The role of fiscal policy. The path to full employment and price stability. Case studies in unemployment and hyperinflation.

Monetary policy design and the role of central banks. How does the banking system operate?

Exchange rate systems and international trade. Global financial markets and the State - who is in charge?

Policy setting in crises: the challenges of climate change and the pandemic.

Subject: Economics & Finance

Level: Introductory

Thinking in a macroeconomic way. What should macroeconomic theory be able to explain? Measurement frameworks.

What is Modern Monetary Theory and what are its implications? Why is it the future of macroeconomics? The role of fiscal policy. The path to full employment and price stability. Case studies in unemployment and hyperinflation.

Monetary policy design and the role of central banks. How does the banking system operate?

Exchange rate systems and international trade. Global financial markets and the State - who is in charge?

Policy setting in crises: the challenges of climate change and the pandemic.

VET Information and Digital Technology

Hour of Code

The Hour of Code started as a one-hour introduction to computer science, designed to demystify "code", to show that anybody can learn the basics, and to broaden participation in the field of computer science. It has since become a worldwide effort to celebrate computer science, starting with 1-hour coding activities but expanding to all sorts of community efforts. Check out the [tutorials and activities](#). Supported by over [400 partners](#) and 200,000 educators worldwide.

Applying to the Australian Defence Force Academy

Applying for ADFA is a competitive, dual application process that can take up to 12 months. It's preferable you apply in Year 11, but you can still apply in Year 12.

To start the ADF application process, use our [degree and job match tool](#) to explore the courses through ADFA, and the careers they can lead to. You can choose from a range of [UNSW degrees](#), each of which leads directly to an officer role in the Navy, Army or Air Force. You will also need to [ensure you are eligible](#).
