TERM 1 WEEK 6

BBSSA U15 & OPEN GIRLS AND BOYS TOUCH FOOTBALL GALA DAY

Our first gala days for the year have taken place over the past couple of weeks. Both the U15 and Open boys and girls touch football gala days were run in fine weather with some great skill and dynamic teamwork taking place. All teams performed to their best and finished in the top 4-6 places. Congratulations to the following students who were selected for the BBSSA 'possible and probables'

- **Boys:** Evan Flynn, Aiden Flynn, Henry Mann and Luka Monnock.
- **Girls:** Zoe Moore, Sienna Hinwood, Lauren Bell, Mikayla Forder, Charli Nero and Charlie Arnott

A special congratulations to Evan Flynn who has been selected into the Broken Bay U15 boys team, and Luka Monnock and Sienna Hinwood who have both been selected into the Broken Bay Open boys and girls teams respectively. We wish them all the best at the NSWCCC Tournament on 30-31 March.

PENINSULA CUP AFL 9's

This week the Peninsula Cup AFL 9's Competition began with both U16 boys and girls teams being entered. With both teams feeling a bit of trepidation about starting a new sport, they immersed themselves into the experience and thoroughly enjoyed the game.

MWBA BASKETBALL

Week 2 of the MWBA Basketball Competition and with a few Mater v Mater games, it was an enjoyable round to observe. It is great to see teams developing and improving each game as well as still enjoying the game.

CONGRATULATIONS

Charlie Barbour

SLSC –. Charlie is a year 7 student and a talented swimmer who has performed exceptionally well at the Northern Beaches Branch Championships. She finished the carnival with five gold and two silver medals. Congratulations Charlie.
