

WALK IN NEW LIFE

MATER MARIA
CATHOLIC COLLEGE

Website portal

Dear Parents, Students, Teachers and Carers,

The website portal, alongside the Compass app, compliments the communications between the College and home and is intended to provide information for current students and their parents. The correspondence available from this section of our website is password protected to ensure the security of our students. As from now, the portal password that you used last year will cease to work.

All parents should now log on using the password: mm2021cc

The portal contains the following information:

- **Australian Catholics Magazine.** This resource supplements the teaching and learning of the Religious Education syllabus. It is Australian and contemporary, and provides many useful resources and articles for both school and home use. A wonderful cross section of the community contribute to the magazine, including young people and Catholic educators. It is also password protected. The link can be found [here](#).
- **Articles and community.** We update this page weekly with articles from teachers reporting on sport, classroom activities and successes, incursions and excursions, the monthly Broken Bay news and a whole range of discussions and articles on mental health issues and internet safety for young people. Articles are saved under each term. We have left Term 4, 2020 articles visible for your interest.
- **Assessment manuals.** Here you will find Curriculum Handbooks issued at the commencement of each academic year and the assessment manuals, indicating the assessment tasks, weightings and timing within the academic year for each cohort.
