Dear Parents,

Please Note: Limited licences still available, first in best dressed.

The College is pleased to offer you the opportunity to purchase for the remainder of 2021 a licence for the use of **Adobe Creative Cloud** for your son or daughter.

This software can be utilised in a variety of subject areas to present and organise work. Adobe Creative Cloud provides digital media creation and design-related software applications and services and gives subscribers access to a collection of software used for graphic design, video editing, web development, photography, along with a set of mobile applications and also some optional cloud services. Students will be able to use this software both while at school and at home.

We would ask you to please forward payment of \$11.55 (incl GST) to the Accounts Department drop box (located outside the College Administration Office) or make payment using *Qkr*. Please scan/email this order form to adminservices@dbb.catholic.edu.au

Please note our preferred payment method is *Qkr by MasterCard*. *Qkr* will accept payment using any credit/debit card and is a secure phone app for making school payments from your mobile phone or alternatively use the website link available at www.matermaria.nsw.edu.au/qkr.

Shortly after this time, your child's login credentials to Adobe Creative Cloud will be forwarded to your child's classroom teacher and issued via their school email address. At that time, your child will need to download the Adobe Creative Cloud software and enter their user credentials provided.

Yours sincerely,

Mr G Hinson
