

WALK IN NEW LIFE

MATER MARIA  
CATHOLIC COLLEGE

# YEAR 10 PASS BIATHLON WINNERS

At the end of last term, the Year 10 PASS classes took part in the inaugural Mater Maria Biathlon – an Assessment Task for the Year 10 PASS elective. Students in Mr Privett and Ms Cripps class worked hard all term on their fitness for both running and swimming and completed a number of different fitness tests including the Beep Test, 1.6 Km timed run and 400 meter swim in an ocean pool. All results went towards their assessment task and culminated in the final Biathlon event on Mona Vale Beach on Monday 29 March.

Students supported each other throughout and all performed to their absolute limit and best on the day.

The Biathlon consisted of a 600 meter swim in the Ocean pool followed by a transition into 2 km beach run up and down the beach.

The winners were:

Male: Mitchell Downman (17.22)

Female: Charlie Arnott (20.22)

*(pictured)*

All students involved are to be congratulated on their efforts throughout the term and on the day. The Year 10 PASS students wish to thank Mr Privett and Ms Cripps for their ongoing support, work and encouragement throughout last term.
