**PARENT/GUARDIAN:** Payment of **\$373.50 per school term (nine lessons @ 41.50 per lesson)** will be directly billed by the music tutor at week 1 of each school term and is payable immediately to the music tutor. Paired lessons are offered by some tutors for beginning students at \$27.00 per student/lesson. Contact the tutor directly to confirm this arrangement.

This is a direct and private arrangement between the family and individual music tutor who has been authorised to conduct individual music tuition at the College. Individual music tuition takes place during class time. A full school term's notice (10 weeks in advance) is required for intention to discontinue lessons. Notice must be given directly to the tutor prior to 7.30am if a student cannot attend a lesson. Make up lessons will only be made if 24h notice is provided in direct arrangement with the music tutor. This includes for any excursion, examination, assessment task or other event that should prevent the child from attending his/her lesson. Missed lessons without notice must still be paid.

My signing below, we acknowledge that my child and I have read and will adhere to this agreement with the music tutor.
